

"FIRST WEEK OF CLASS GUIDE"

Here is everything you need to know about your dancer's first day at JDA!

We can't wait to see you all on the dance floor!

PARENTS GET TO JOIN US IN CLASS ON THE FIRST WEEK!

We know the first day is full of unknowns, join us in class so your dancer can get comfortable, meet the instructors, and learn everything you need to know about the studio! Class names will be labeled on the door and our front desk can tell you exactly where to go!

DANCERS DO NOT NEED DANCEWEAR ON THE FIRST WEEK!

Shoes, Tights, Leo's...OH MY! No worries, wear anything comfortable on your first day. Your instructor will go over dress code and correct dance wear for your class. Anything can be ordered in studio at our dancewear store. If you ordered shoes at open house, those will be given out to you in class!

FIRST WEEK IS A TRIAL WEEK

The first week can feel a little hectic! Remember that students are trying out multiple classes to see which one is the best fit! If your dancer is on multiple rosters, please let us know which class or classes they choose as soon as you know!

THERE ARE MULTIPLE WAYS TO PAY TUITION

We take Cash, Check, Card, or Auto Pay. Please download the DSP app (Dance Studio Pro) on your phone to see your account and sign up for many things, such as Auto draft or studio alerts! Visit our front desk for help or password recovery! Tuition start in August and ends in April

PLEASE DO NOT PARK ON THE FIRE LANE

For safety reasons we ask that you use our parking lot. A lot of our little ballerinas are still training on how to cross the road! Parents are asked to bring dancer in to the studio for drop off to hear class announcements each week!
